

c) Mediation Centre

Mediation focuses on dispute settlement and peace building through dialogue and alternative dispute resolution. Interpersonal and community disputes can be resolved at any stage and become an opportunity for interpersonal and social transformation. The types of disputes that can be brought to the Centre are: disputes between couples, between parents & children, within neighbourhood, housing complex, community, etc.

The mission of Sampurna is expressed in its logo "Liberation with Enlightenment". Sampurna aims at promoting personal integration and competence in individuals so that they can be more effective in their workplaces/areas of influence. We achieve this aim through courses in Psychological Counselling and Psychology. In addition, we also run a Family Counselling Centre and Centre for Counselling and Psychological Services; which contributes to the academic content of our curricula. Sampurna runs academic, clinical and extension programmes throughout the year. This brochure outlines the programmes offered this year (2010-2011).
